"The Brink Of War" (2026) — the beginning of what the land remembers. A highly atmospheric and dramatic scene of a couple locked in an intense embrace

during a fierce lightning storm. The style should be painterly and romantic, with a dark, moody color palette dominated by deep blues, grays, and blacks. Emphasize the stark contrast of bright white lightning against the dark sky, and the shimmering texture of the woman's silver dress. The couple's faces should convey deep passion and emotional connection, with their hair and clothing dramatically swept by the wind. Include ornate, gothic-style typography for the title ""The Brink Of War"" in a rich red hue. The overall mood should be one of epic romance and untamed emotion, reminiscent of classical literature.
